C. ENDERS;**

Defendants.

Decision by Court. This action came to trial or hearing before the Court. The issues have been tried or heard and a decision has been rendered.

IT IS ORDERED AND ADJUDGED That Plaintiff's Amended Complaint is dismissed for lack of subject matter jurisdiction under the *Rooker-Feldman* doctrine and for failure to state a claim upon which relief may be granted and as frivolous pursuant to 28 U.S.C. § 1915(e)(2)(b)(i) and (ii).

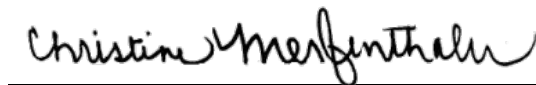

The court certifies pursuant to 28 U.S.C. § 1915(a)(3) that any appeal would not be taken in good faith and therefore IFP status is denied for the purpose of an appeal.

All of the above pursuant to the order of the Honorable Judge THOMAS J. McAVOY, dated the 17th day of January, 2014.

DATED: January 22, 2014

Clerk of Court

Christine Mergenthaler
